APPLICATION FORM FOR FREE PERSONAL FLOTATION DEVICE (PFD)

1. Vessel details

This scheme is open to vessels and crew who are actively fishing under a current fishing licence administered by Marine Scotland.

Vessel Name:		Registration Number (PLN):	
Vessel Contact Name:		Contact Email/ Telephone No:	

2. Crew details

To be eligible for a free Personal Flotation Device (PFD), each crew member must have completed all mandatory safety training. Below, each crew member must provide details of certificate numbers for courses attended. (Please note that these details may be verified by checking the Seafish database).

Data protection: personal details and records of training undertaken will be stored on the project database. We may contact you after you have received your PFD to find out how useful it has been and how it has helped you work more safely. Put an X in the box if you do not wish to be contacted:

Declaration: "I confirm that I am a commercial fisherman and that all of the details provided below are correct. I confirm that I have read the above data protection statement."

You are required to keep the Personal Flotation Device and ensure good working order for at least 5 years from the date of receipt. You may be subject to one or more audit inspections over that period; failure to present the allocated PFD at that point could require repayment of the applicable market rate for the device.

Please send your completed application to:-
